

The MASCOT

Index of Articles

November 2005 to November 2007

Dear Reader.

It seemed as though I was spending more and more time looking for articles I knew were in Mascot somewhere, but couldn't find, so in January 2004 I made an Index of the main items in all the Mascots issued since I became editor. Issue 2 came in September 2005.

Recently the same time-consuming searches have prompted me to update the Index yet again, so hopefully this issue will enable you to find things you knew you had read somewhere in Mascot but didn't have the time to search for.

Also, if you have a problem or query, you may find it useful to scan the Index to see if the problem has been mentioned in the Mascot. And if it hasn't, remember you can always **ASK ASCO**, and Auntie will do her best to come up with a solution.

Mike Hyman, Editor
